# Principal Sir's Message

Dear Students,

An alumni is always our pride. An alumni is our labour of love. An alumni are living arrows that are sent forth by us bent as bows to reach their mark of success ! An alumnus is a fledgling we teach to fly and soar high in the sky and yet sorely miss in our empty nest . An alumnus is that kite which flies high in the sky and yet is always tugging our hearts with that invisible thread .

We call out to the "nadaan parinda" to come home and tell us of new worlds discovered and new peaks conquered. We call out to embrace them in their self-doubt and weariness and reaffirm their worth. So a warm welcome to all alumni through this book, which is being released this Dussera, celebrating the success of a few of our alumni. This is our first such book. For a more detailed list , we request you to visit our website

We have a vibrant alumni association . I use this platform to appeal to all alumni to connect with us and stay connected with each other through us .

By fostering connectedness and kinship of the same alma mater we can synergize our strengths and multiply our success

Please share your success stories. We would love to show off the success of our students. You are also welcome to use our college resource for continuing your education . We also invite you to inspire the generation next students, through Alumni Lecture Series, online as well as off-line .

I congratulate the Alumni Committee to come out with the first Alumni Coffee Table Book of our college .  
I end with my best wishes and blessings to all alumni , both personally and on behalf of all teachers .

We hope to hold an alumni meet in January 2025. We hope to see you all in person then .

Until then .....au revoir
