About Camp: The Department of Repertory, B.V.D.U. Homoeopathic Medical College & Hospital, organized a Health Check-up Camp for Adults with Intellectual Disabilities at Seva Sadan Dilasa Karyashala, Pune, on 7th April 2025. Detailed case taking and primary checkups were conducted. We treated adults whose disability level was above 50%, indicating severe limitations in intellectual functioning and adaptive behavior. The camp provided personalized care, therapeutic support, and interventions aimed at enhancing their cognitive, social, and daily living skills. Four MD Part II students from the 17th batch participated—two from the Dept. of Practice of Medicine and two from the Dept. of Homoeopathic Materia Medica—along with three staff members from the Repertory Department, under the guidance of Dr. Anita Patil, H.O.D of Repertory.

A total of **70** patients were registered, and Homoeopathic medicines were prescribed.
