Message from the Director & Dean (FMS)

Dear Students, Faculty, and Alumni,

As we close out the Academic Year 2023 -24, I want to take a moment to reflect on the accomplishments and progress our Department has made so far this year. From innovative research projects to successful career outcomes, our community has shown incredible dedication and passion in the field of business.

As we embark on the Academic Year 2024-2025, I am thrilled to welcome you to our Business School community. This year promises to be an exciting one, filled with opportunities for growth, learning, and connection.

I'm excited to announce several new initiatives and programs that will further enhance our school's reputation and impact. These include signing MoU with KPMG to teach Business Analytics & Design Thinking; to start Alternative Study Credit Activities; Co-working space for startups and started ups; developing true entrepreneurial ecosystems; focusing on Consultancy and MDPs, collaboration with foreign universities and many more.

This year, we are committed to building on our strengths and exploring new frontiers in business education and computer applications. We will focus on sustainability, innovation, or leadership development. Our goal is to equip you with the knowledge, skills, and network to succeed in an ever-changing business landscape.

Our school continues to thrive, thanks to the dedication and passion of our faculty, staff, and students. We have achieved numerous milestones.

I encourage you to get involved, engage with our community, and take advantage of the resources available to you. Together, let's make this academic year a remarkable one.

Best regards,

Dr. Premasish Roy

Editorial Message

Dear esteemed readers,

Welcome to the inaugural edition of 'Gyanvaarta', our college's first-ever annual newsletter. It is with great pride and excitement that we present this publication, designed to celebrate and share the milestones, achievements, and vibrant life of our campus community. Our institution's commitment to excellence and student success is truly reflected in the achievements and stories highlighted within these pages.

We hope you enjoy reading about the accomplishments of our students, faculty, and alumni. Their hard work, dedication, and passion for excellence are a testament to our college's vibrant and supportive community. We aspire to make 'Gyanvaarta' not just a newsletter, but a vital resource that evolves with our community, continuously enriching the academic and social fabric of our institution.

We would like to acknowledge the unwavering support and guidance of our Director, Dr. Premasish Roy, the diligent efforts of all our faculty staff and Sub Editor, Asst. Prof Sheetal Patil, the meticulous work of our Print & Production Coordinator, Asst. Prof Archana Sakure-Ubhe, who ensured timely production of the newsletter. Also, special thanks to our dedicated Student Editorial Team for their creativity and hard work in bringing this publication to life.

Thank you for your continued support and participation.

Best regards,

Dr. Evelina Brajesh Sahay
Editor, GYANVAARTA

Struggle is!

(Manali Pawar, BBA II Year)

Struggle is
To rise though you fall
To love though you are hurt
To laugh though you cry
Struggle is to fight though you are tired!

Struggle is
The path of your destiny
The road of your success
The smell of your grit
Struggle is the strength to your dreams!

Struggle is
The change in you
The faith in you
The soldier in you
Struggle is the stronger you!

Struggle is
To try till you succeed
To build till you achieve
To last till you end
Struggle is to roar till you die!

Industrial visits and International Immersion programs

The Global Immersion Program 2024 to Malaysia in collaboration with UAS International

In collaboration with UAS International, students participated in a 7-day Global Immersion Program to Malaysia from January 26, 2024, to February 1, 2024. During their visit, they explored key attractions including Genting Skyworlds, Batu Caves, Royal Selangor Pewter Factory, Zursa Stock Exchange, Berjaya Times Square, Petronas Twin Towers etc.

Industrial visits

Excursion: Chandigarh- Manali- Amritsar

Bharati Vidyapeeth Deemed to be University and partner Eduventura planned a trip for BBA, MBA and BCA students to Chandigarh, Manali, and Amritsar which was a resounding success, offering a perfect blend of cultural exploration, adventure, and learning. It not only broadened horizons but also instilled a sense of pride in our rich cultural heritage

Industrial Visit to Navneet Education Limited

On 20th April 2024, Bharati Vidyapeeth Department of Management Studies, Navi Mumbai, organized an industrial visit to Navneet Education Limited for the students of MBA and BBA.

Students visited the plant, learning about waste storage, logistics, and efficient machineries. They observed the plant layout, proper maintenance strategies, and flexibility in the production stage. The 4-hour bus trip provided practical exposure to Production & Operations Management.

Industrial Visit to JNPT

On January 25, 2023, MBA students visited the Jawaharlal Nehru Port Trust (JNPT) in Navi Mumbai. They explored the port's advanced facilities and observed its critical role in international trade. The visit included a tour of container terminals and insights into logistics management. This hands-on experience enriched their understanding of global supply chains and port operations, highlighting the significance of JNPT in India's economy.

HR Conclave 2023

On August 5, 2023, the HR Conclave brought together HR leaders from multiple MNCs. The event facilitated a dynamic exchange of ideas and strategies on modern workforce management.

PACE (Personality Assessment and Enhancement Club) Elocution Competition

The Elocution Competition held by PACE showcased the eloquence and oratory skills of our students. Participants delivered speeches revolving around the theme of 'India of My Dreams', impressing the judges with their clarity, poise, and persuasive arguments.

Debate Dynamo: Engaging Minds in Argument

In a spirited debate competition, students tackled controversial topic of 'Artificial intelligence- a boon or bane' with vigor and intellect. The event highlighted their critical thinking and public speaking skills, fostering a culture of healthy discourse and respectful disagreement

Blueprint for Success: Business Plan Competition

The Business Plan Competition ("Vyaparniti") was an inter-college competition which encouraged budding entrepreneurs to present innovative business ideas. Teams pitched their plans to a panel of judges, demonstrating creativity, feasibility, and strategic thinking in their proposals.

Poetry

Echoes of Resilience: A Journey Through Darkness

(Debaanshu Ghosh, BBA II Year)

I pushed a million others like me, ran with no hands no feet;
Dying to get alive and dying to get a heart- beat;
Blind, deaf and not bigger than a drop, I did push all others to their tomb;
Yes, that was my first run to get into my mother's womb!
I crushed months of shiver to stand up on those two baby feet;
I wet my cheeks, my pants, my sheets to sleep a night neat I burst all my veins
with no voice, no words; just to get that cry,
Yes, that was my first fight with myself to make a try !
Today if I'm challenged by the winds and the rains again;
If I'm tested, tried, pestered and put in pain;
I will shatter the ceiling and fly the sky that wasn't pinched before;

Creativity Cove

Our newsletter proudly features a collection of stories, poems, and paintings created by the talented students of BVDU- DMS. These contributions reflect the rich imagination and artistic skills of our students, adding a vibrant touch to our community.

Financial Wizards: Events by the Finance Club

The Finance Club organized a series of events aimed at enhancing students' understanding of financial markets and investment strategies. One of those event was "Investors Awareness Programme on Commodity Markets" by Mr. Jaydeep A.M. from MCX.

The main focus of the guest lecture was making students aware about the Commodity Markets in India. During this session Mr. Jaydeep elaborated the types of commodities and trend of investment in commodity market. Also he explained the need of making investment in commodity market and benefits of it.

Alkemy

Alkemy is our college's annual fest event. This exhilarating celebration brings together students, faculty, and alumni for an unforgettable experience filled with vibrant cultural performances, electrifying music, engaging workshops, and thrilling competitions. Here's a glance of some events –

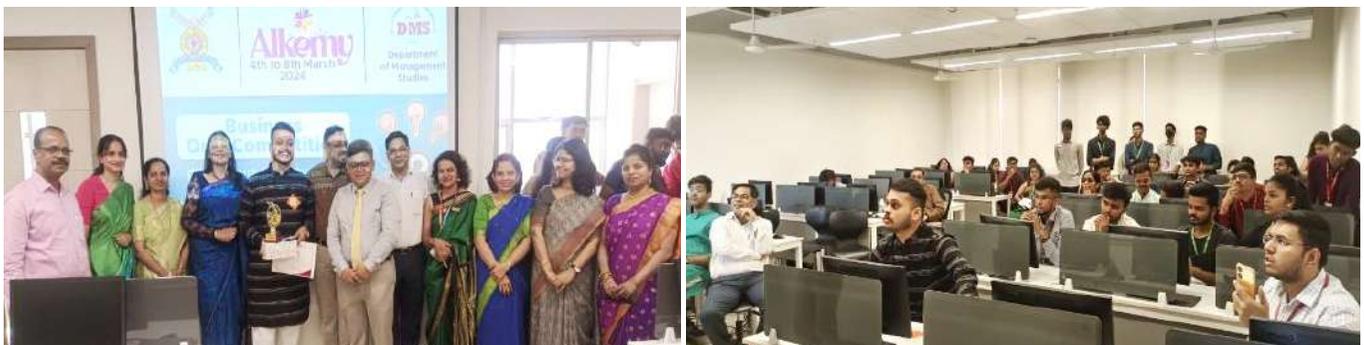

Creative Film-Making Competition

Alkemy brought out the artistic side of our students with a creative film-making competition. Participants crafted short films that were both entertaining and thought-provoking, showcasing their talents in storytelling, directing, and cinematography.

Battle of wits : Business quiz competition

Business quiz competition was an intra-college competition that featured student participation from the aforementioned Bharati Vidyapeeth campus different department students. The event was truly a celebration of feast. It acted as a platform for a group of immensely talented and gifted students, encouraging them to show their knowledge and be updated with the current trends and news.

Alkemy Coding Competition

"The inter-college coding competition brought together talented students from across the region, showcasing their programming skills and innovative thinking. With challenges ranging from algorithmic puzzles to real-world problem-solving, teams demonstrated their coding prowess and creativity. The event fostered a spirit of collaboration, learning, and healthy competition, as students pushed the boundaries of what is possible in the world of code."

Internship/Black Book Project Competition

"The internship project, also known as the black book project, is a culmination of rigorous research, dedication, and hard work. Students delve into real-world problems, applying theoretical concepts to practical solutions. Through this project, they gain invaluable industry experience and develop professional skills. The black book project serves as a testament to their academic excellence and prepares them for future careers."

Kick-off Frenzy: University Football League

The campus was abuzz with excitement as the annual Football League kicked off. Teams from different colleges competed with great enthusiasm, displaying exceptional skill and sportsmanship. The league not only provided a platform for students to exhibit their athletic abilities but also fostered camaraderie and team spirit among participants.

Youthful Resonance: Echoes of National Youth Day

To celebrate National Youth Day, our college organized a poetry and storytelling competition themed 'Echoes of Youth'. The event provided a platform for young poets and storytellers to share their creative expressions, reflecting the vibrant cultural diversity and imaginative spirit of our students.

Empowerment in Action

3-Day Leadership Workshop by Naina Sahni

Ms. Naina Sahni, a highly acclaimed leadership coach, conducted the workshop. The workshop aimed to equip educators to improve their teaching methodologies. The workshop was highly engaging and interactive, with active participation from directors and professors. Attendees gained insights into various models and concepts for effective education. Ms. Naina Sahni's energetic and passionate approach left a lasting impression on participants.

Breaking Barriers: Uniting Forces at the Women Summit!"

The Women Summit 2024 was a resounding success, featuring inspiring talks, panel discussions, and workshops focused on women's empowerment and gender equality. Esteemed speakers from various fields shared their insights, motivating the audience to strive for excellence and break barriers.

Life

(Chirag Patil, BCA II Year)

Life, Oh how simple it is
 Written in riddles that captivates your brain
 Vexing it is to understand its rhyme
 Sometimes it goes exactly the way you make it be,
 And sometimes it's unpredictability, becomes a wound you didn't need
 The way it creates a lesson for you to learn and preach,
 Or an opposing thought that brings disbelief in the identity of 'ME'
 But worry not cause that is life,
 A single chance so love it right
 Do not lose hope, hold on so tight
 And when you stumble, stumble well,
 For failure often where wisdom dwells
 Paint it with colours bold and bright,
 With love, compassion, and endless delight
 For this is life – A symphony of dreams taking flight.

राष्ट्रीय एकात्मता शिबिर खरंच हा एक विलक्षण आणि अविस्मरणीय असा अनुभव होता. शिबिराचा पहिला दिवस सगळेजण एकमेकांना परके कुणीच कुणाला ओळखत नाही नी कुणालाच कोणाची भाषा माहिती नाही कारण तामिळनाडू, आंध्रप्रदेश, हैदराबाद, केरळहून आलेले स्वयंसेवक आणि त्यांचे कार्यक्रम अधिकारी आणि तरीही पुढचे सात दिवस आम्ही सगळे एकत्र या शिबिरात काहीतरी विलक्षण अनुभवणार होतो. पहिल्या दिवशी एक कार्यक्रमाधिकारी म्हणून असे वाटले होते की आपण आता एक अधिकारी आहोत म्हणजे आपल्याला इथे काहीच करायचं नाही फक्त या शिबिरात जे काही होणार आहे त्याचे अहवाल लक्षपूर्वक बनवायचे आणि सोबत असलेल्या दहा विद्यार्थ्यांना सांभाळायचे अरे पण असे तर इथे काहीच नाही झाले. जिथे मी स्वतः दहा स्वयंसेवकांची टीम घेऊन गेले होते तिथे मला दहा नाही तर संपूर्ण 20 ते 25 स्वयंसेवकांना सांभाळायचे होते व आणि अगदी बिकट प्रश्न होता तो म्हणजे भाषा. कधी असा विचारच केला नव्हता की आपल्याला दक्षिण भारतीय भाषा माहित नसल्याने काही त्रास होईल. त्यांची भाषा नाही आली तर; आहेच की आपली राष्ट्रभाषा हिंदी आणि अगदी ती पण नाही तर मग आहेच मिनग्लिश मराठी आणि इंग्लिश याची भेळ. असो पण ही भिती होती फक्त काही तासांपूर्तीच. सगळेच जे काही अनोळखी होते ते सगळेच आपलेसे आणि हवेहवेसे वाटू लागले होते. न समजणारा संवाद आता सहज होऊ लागला होता. सगळीकडेच खेळीमेळीचे वातावरण तयार होऊ लागले होते. उरलेले सहा ते सात दिवस आपण कसे निभावणार हा प्रश्न तर कुठे तरी दूर दडून बसला होता. कार्यक्रमाच्या उद्घाटन प्रसंगी अनेक मान्यवरांची भाषणं झाली, त्यातून एकच गोष्ट लक्षात आली ती म्हणजे आपण अनेक विलक्षण अनुभवांची अनुभूती घेणार आहोत या सात दिवसांत. या शिबिराचे महत्त्व म्हणजे यात विविध सत्रांच्या माध्यमातून आपली संस्कृती, परंपरा, लोककला एकमेकांना शिकवण्याची संधी प्रत्येकाला मिळणार होती. युवकांना त्यांचे संवाद त्यांचे अनुभव यांची देवाण-घेवाण करायची होती. त्यामुळे आता भाषेचे बंधन कोणालाच नव्हते. मलाही बोलण्याची संधी मिळाली, याच संधीचा पुरेपूर फायदा घेत मी आपल्या महाराष्ट्राची लोककला, महाराष्ट्राची संस्कृती, आपली महाराष्ट्राची पंढरीची वारी याबद्दल आणि तसेच आपल्या भारती विद्यापीठाने जो हरितवारी प्रकल्प यशस्वीरित्या पूर्ण करून त्याची गिनीज वर्ल्ड रेकॉर्डमध्ये जी नोंद केली याची माहिती सगळ्यांना दिली. या शिबिराचा मुख्य हेतू की, युवकांना या नवीन पिढीला एकात्मतेचे महत्त्व समजावून एकत्र आणणे एकात्मतेच्या मूल्यांची त्यांना जाणीव करून देणे.

राष्ट्रीय एकात्मता शिबिर : एक अविस्मरणीय अनुभव

नेतृत्व विकास, व्यक्तिमत्त्व विकास. सामूहिक विकास अशा एक ना अनेक सत्रांचे आयोजन आयोजकांनी अगदी व्यवस्थितपणे केले होते. प्रत्येकाला आपल्यातले नेतृत्वगुण कसे सादर करता येतील यासाठी आयोजकांनी उत्तमरित्या शिबिराचे आखणी केली होती. समूह, टीम, ग्रुप म्हणजे काय आणि याच्यात एकत्रपणे काम केल्याने मिळणारा आनंद आणि त्याचबरोबर मिळणारे समाधान हे किती महत्त्वाचे? हिच या शिबिराची खासियत होती. यात मला उल्लेख करावा वाटतो तो डॉ. गोपाल गोवडा सरांचा जे की कार्यक्रमाधिकारी होते बेंगलोर सिटी युनिव्हर्सिटीचे त्यांनी आणि त्यांच्या कुटुंबाने कसे या राष्ट्रीय सेवा योजनेसाठी स्वतःला वाहून दिले आहे त्याचे हे उत्तम उदाहरण आहेत. अहो शंभर ते दीडशे स्वयंसेवकांना आपल्या घरी पाहुणचारासाठी नेले आणि अतिथी देवो भव। या उक्तीनुसार आम्हा सर्वांचे आदरातिथ्यही केले. कधी आपण विचाराही करणार नाही पण त्यांनी त्यांच्या वडिलांनी, अहो त्यांच्या छोट्या मुलांनी सुद्धा सगळ्यांचे स्वागत इतक्या आनंदाने केले की आम्ही तर भारावून गेलो. बेंगलोर मध्ये असणारे सिल्क मार्केट तेथेच होणारी संपूर्ण प्रक्रिया त्यांनी आम्हाला अगदी सविस्तरपणे समजावून सांगितली. जे या शिबिराचे अजून एक वेगळेपण होते ते म्हणजे एक दिवसाची सहूल त्यात आम्हाला बेंगलोरमधील ईशा फाउंडेशन, नंदिकेश्वराचे प्राचीन मंदिर, विधानसौदा, बेंगलोर सिटी विद्यापीठ अशी प्रेक्षणीय स्थळे दाखवण्यात आली. शिबिराचे हे सात दिवस कसे संपले आणि हे शिबिर आम्ही कसे पूर्ण केले यावर आमचा विश्वासच बसत नव्हता. असे वाटत होते की ते कधी पूर्ण होऊ नये ते कधी संपूच नये पण करणार काय सातवा दिवस आला आणि असे वाटले की अरे आता घरी जायची वेळ आली का नको ना राहूया ना अजून काही दिवस हे सगळे विद्यार्थी, कार्यक्रमाधिकारी यांच्यासोबत एकमेकांबद्दल जिव्हाळा निर्माण झाला होता. हे शिबिर युवकांसाठी तसेच आमच्यासाठी एक अद्वितीय आणि प्रेरणादायी अनुभव देणारे होते.

Triumph Over Tragedy: The Inspiring Journey of Resilience

(Debaanshu Ghosh, BBA II Year)

In the face of adversity, there are those who falter, and then there are those who rise above with unwavering determination. Such is the tale of a pretty young girl, a beacon of resilience amidst life's darkest storms.

Anamika's journey began with jubilation as she embarked on a promising career at Goldman Sachs in the bustling city of New York, a testament to her hard work and dedication in achieving her CA. Yet, fate had other plans, casting a shadow of despair just days before her wedding. The sudden tragedy of her father's debilitating accident shattered the joyous occasion, leaving her torn between duty and despair. Despite the turmoil, she stood resolute, witnessing her father's decline into a coma on the very day she exchanged vows with her childhood sweetheart.

A Dichotomy of Grief and Duty: Navigating Through Turbulent Waters

In the sombre halls of sorrow, a poignant scene unfolds—a delicate balance between mourning and obligation, where the heartache of loss intertwines with the solemnity of duty. As her dad lay in peaceful repose, surrounded by loved ones preparing for his final journey, a sense of tranquility mingled with the palpable anguish that permeated the air. His still form belied the storm of emotions that raged within those who stood vigil, a testament to the profound impact of his presence in their lives.

Meanwhile, amidst the hushed whispers of grief, a different tableau unfolded—a bittersweet symphony of duty and necessity. In a corner of the room, Anamika and her aunt, their faces etched with sorrow, painstakingly packed the gifts destined for her in-laws' family. Each item meticulously chosen, yet each touch imbued with the weight of sorrow that hung heavy in the air. In this juxtaposition of sorrow and obligation, the juxtaposition of life's ceaseless demands, a poignant truth emerges. Even in the depths of despair, life marches on, demanding adherence to tradition and duty even as hearts break and tears fall.

Though it is a painful sight, ie dance between grief and obligation, yet it is a testament to the resilience of the human spirit. In the face of overwhelming sorrow, we find the strength to carry on, to honour the past while embracing the future with steadfast resolve.

With a heavy heart, she bid farewell to her grieving family, setting forth to fulfil her academic aspirations at DePaul University Chicago, Illinois, US. Amidst the grief and turmoil, she found solace in her studies, channelling her anguish into academic excellence. Despite the weight of her sorrow, she emerged triumphant, securing a scholarship for her Masters in Finance—a testament to her unwavering spirit and indomitable will. Her journey, fraught with heartache and loss, stands as a testament to the power of resilience and the triumph of the human spirit.

Today, she stands as the Investment Head for the US & UK, a testament to her unwavering resolve and determination. Her journey serves as a beacon of hope, inspiring all who face adversity to persevere, for indeed, nothing can deter the relentless pursuit of one's dreams.

MORAL ETHICS

(Soumya Vinod, BCA II Year)

Words like 'Social Responsibilities' and 'Social Awareness' can be seen circulating now-a-days; so, what does this even mean, well social responsibilities mean being aware of how you impact a society and how a society impacts you. As we know each and every choice we make throughout our journey decides the course of our life but we often forget that not only does it affect us but our near and dear ones and even the society. Let's understand this with a super simple example: Let us suppose you live in town and want to shift to a city, so you rent a house and pay the owner a sum, here you have generated an income for the house owner. Now you can't just survive with a roof on your head you need some 'roti and kapda', so you went to buy groceries and new clothes this again moves the monetary cycle. Thus, we understand that every choice we make impacts the society it might be negative, it might be positive.

Now, this effect is not just monetary, when we live in a society there are some standard responsibilities we must follow as a citizen. We can't just make decisions based on just what we like, if you have the right to enjoy your lifestyle then so do others and if your lifestyle affects the others in a negative way then some modifications are needed. Rightly said by Robert F.Y. 'your liberty ends where my nose begins', the phrase saying a simple thing you do you, as long as it doesn't affect me, this is a social responsibility we have and fulfilling such responsibilities is called as social consciousness.

Today we live in a socially interconnected world thanks to social media and with this we understand what goes on throughout the world is not entirely positive. With this we also became aware that what we consider as something funny might take a toll on some other and once aware it becomes a social and moral responsibility of a person to be careful with what they say or do. And our social responsibility does not end with not doing a certain thing, it also eludes that we must stop others from doing too. Along with this we shouldn't trash any places it is also a part of our moral responsibility.

Thus, we can conclude that as a citizen or even as a human we have some responsibilities towards our surroundings and it is basic etiquettes that should be imbibed into our nature. To get respect you should give respect and each good deed comes around one day or another.

BENEATH A TEACHER'S WINGS

(Asst. Prof. Dr. Evelina B. Sahay)

In classrooms bright where young minds grow, there blooms a seed that's more than what we know.
A gentle force, more potent than the mind, In every lesson taught, there's room for kind.
The teacher's smile, a beacon soft and warm, Transforms the space, a refuge from the storm.
In words of praise, in patience deep and true, Kindness weaves a magic, ever new.
A helping hand when struggles cloud the day, Encouragement that lights the darkened way.
In every heart, a gentle nudge to care, to lift each other, show we're always there.
Students learn not just from books and charts, But from the kindness shared in open hearts.
A classroom rich with empathy and grace, Becomes a world, a safer, kinder place.
For kindness teaches more than facts or dates, It shapes the soul, opens wide the gates.
To understanding, tolerance, and peace, A foundation strong where conflicts cease.
In every act, no matter how it's small, Kindness plants a seed, grows tall.
It spreads its branches, shades and shelters all, Creating bonds that never break or fall.
A word of kindness, simple, yet profound, Can turn the day and lift it from the ground.
In education, it is the golden thread, That binds us all, where love and learning wed.
So in each lesson, let kindness be the core, A guiding light, an ever-open door.
For in the hearts of those we teach and tend, Kindness is the gift that knows no end.

Reclaiming Moral Values in Modern Education

(Asst. Prof. Sheetal Patil)

In today's competitive educational environment, where skill development and future opportunities dominate the conversation, we are increasingly neglecting moral values, the foundation of a meaningful life. Moral values such as honesty, truthfulness, courage, and respect are essential for personal growth and societal well-being.

Educators and parents play a crucial role in imparting these values to children. While children naturally question norms and learn through observation, they also emulate the behavior of adults around them. Unfortunately, contemporary society often demonstrates a lack of adherence to moral values, creating an environment where rule-breaking and shortcuts are normalized. This makes it imperative for parents, teachers, and society to model integrity and ethical behavior.

Today students face unique challenges, including peer pressure and stress from exams and social expectations. This often leads to negative behaviors such as disrespect, substance abuse, and a lack of self-control. Parents must engage in open, non-judgmental conversations with their children, helping them differentiate between right and wrong. Similarly, teachers should extend their influence beyond academics, guiding students in moral development through example and support.

Ultimately, practicing and teaching moral values not only benefits individual students but also fosters a generation of responsible and compassionate citizens. By instilling values like respect, honesty, and kindness, we create a positive ripple effect that can transform society for the better. Let us commit to being role models of goodness and integrity, ensuring that these virtues are passed down to future generations
