

## Induction 2025 Day 3- Nature Trail to Mallikarjun Fort

The institute organized a nature trail to Shri Kshetra Mallikarjun / Vilasgad Fort in Astha as part of its Induction Programme 2025, day 3 on Saturday, July 26, 2025.

The event, which commenced at 8:00 AM, saw enthusiastic participation from newly admitted students, faculty members, and coordinators. The nature trail was not only a refreshing outdoor experience but also served as a team-building and orientation activity, helping students connect with nature, history, and their peers.

Under the guidance of event coordinators Vice Principal Dr. Pratap Desai and Sports Director Yogesh Patil, the trail aimed to introduce students to the heritage of the region while fostering environmental awareness and promoting wellness. The visit to the ancient Mallikarjun temple and the scenic surroundings of the Vilasgad Fort was a memorable experience for all participants.

One of the highlights of the program was a 'Tree Plantation Drive', where students collectively planted saplings in the vicinity of the fort. This initiative was aimed at encouraging environmental responsibility and spreading awareness about ecological sustainability.

The event underlined the institute's commitment to holistic education by integrating learning with real-life experiences. Students expressed gratitude for the thoughtful initiative, describing it as an energizing and insightful start to their academic journey.
