**Brief Report:**

The Department of Oral Medicine & Radiology conducted a value added programme on “BASICS ON CBCT” from 8<sup>th</sup> July 2024 to 24<sup>th</sup> July 2024 for a batch of 9 interns.

The resource persons were Dr Manjula Hebbale (Associate Professor, Dept of OMR) and Dr Rashmi Sane (Asst. Professor, Dept of OMR). The programme was divided into 4 modules of total 8 sessions. The venue was Seminar Room & CBCT Section, Department of Oral Medicine & Radiology, BVDUDC & H, Pune. The modules comprised of didactic lectures and interactive hands on sessions. The candidates were given written assignments at the end of every module which were assessed and marked. Study material was provided in the form of peer reviewed articles and e-books. The module ended with an assessment in the form of MCQ's, Practical Hands on Assessment and Viva Voce.

The feedback was obtained from all the delegates stating overall satisfaction with the course.

**CV of the Speaker :****Dr Manjula Hebbale :**

Dr Manjula Hebbale has experience in the field of Oral Medicine & Radiology for more than 15 years, having graduated from RGUHS, Bangalore having secured first rank at the university level, in 2005. Has completed PGDHHM- Hospital & Health care Management (2011) PGDMLS-- Medico Legal Systems (2012) from Symbiosis International University. Has more than 50 publications and more than 6 patents to credit. Is actively involved in undergraduate teaching and post graduate teaching for around 19 years. Attended many state and national conferences and won scientific paper presentation awards as well at the national conferences. Received the best reviewer's award for the year 2022-2023.

**Dr Rashmi Sane:**

Dr Rashmi Sane has experience in the field of Oral Medicine & Radiology for more than 10

years, having graduated from RGUHS, Bangalore in 2009 and MDS from Bharati Vidyapeeth (Deemed to be University) in 2013. She has more than 250 publications and 1 patent to credit. Is actively involved in undergraduate teaching and post graduate teaching for around 10 years. Attended many state and national conferences and won scientific paper presentation awards as well at the national conferences.

Dentistry is advancing by leaps and bounds and clinical dental practice is evolving at an extremely rapid pace with digital dentistry quietly stepping up the ladder. The most important advancement in recent times, is the evolution and growth of 3-D imaging in dentistry.

CBCT has revolutionized the way dentistry is being practiced in the current decade and having wide applications in almost all fields of Dentistry right from Implantology, Endodontics, Periodontics, Orthodontics and Maxilla-facial Surgery & Prosthodontics. It provides a three - dimensional view of the hard tissue structures improving the diagnostic accuracy and providing a better and comprehensive care to the patient.

CAD- CAM integration with CBCT is a great boost to dental practice broadening its role in 3-D printing technology.

Keeping this in mind, a basic course in CBCT would be beneficial for the interns.

### Programme Schedule

#### Programme Schedule

Sr No	Date	Time	Topic	Faculty	Duration (in hours)
1	19-11-2024 (Week 1)	11.30 to 1.00 Session 1	Basics of CBCT: What is CBCT?	Dr Shams Ul Nisa Dr Shameeka Khaire	03 Hours
		1.30 to 3 pm Session 2	Why, how and when is CBCT indicated.		
2	21-11-2024 (Week 2)	9.30 to 12 pm Session 3	Maxillofacial anatomy in CBCT	Dr Shams Ul Nisa Dr Shameeka Khaire	05 Hours
		1.30 to 4.30 Session 4	How to read a CBCT image?		
3	22-11-2024 (Week 3)	9.30 to 12.30 Session 5	CBCT in dentistry: An interesting and interactive series of case reports emphasizing role CBCT in Implantology, Endodontics, Oral & Maxillofacial Surgery, Periodontics, Orthodontics and Pedodontics.	Dr Shams Ul Nisa Dr Shameeka Khaire	05 Hours
		02.00 to 04.00 Session 6			
4	23-11-24 (Week 4)	9.30 to 11.00 Session 7	Hands on CBCT Software and Implant planning.	Dr Shams Ul Nisa Dr Shameeka Khaire	03 Hours
		1.30 to 3 pm Session 8			
5	25-11-24	9.30 to 12.30	MCQ exam Practical Exam Viva voce Certificate distribution Feedback and Conclusion of programme	Dr Shams Ul Nisa Dr Shameeka Khaire	03 Hours

**Brief Report:** The Department of Oral Medicine & Radiology conducted a value added programme on “BASICS ON CBCT” from 1<sup>st</sup> November to 30<sup>th</sup> November 2024 for a batch of Twelve interns.

The resource persons were Dr Shams Ul Nisa (Associate Professor, Dept of OMR) and Dr Shameeka Khair (Asst. Professor, Dept of OMR). The programme was divided into 4 modules of a total 8 sessions. The venue was Seminar Room & CBCT Section, Department of Oral Medicine & Radiology, BVDUDC & H, Pune. The modules consisted of didactic lectures and interactive hands-on sessions. The candidates were given written assignments at the end of every module which were assessed and marked. Study material was provided in the form of peer reviewed articles and e-books. The module ended with an assessment in the form of MCQ’s, Practical Hands on Assessment and Viva Voce.

The feedback was obtained from all the delegates stating overall satisfaction with the course.

#### **CV of the Speaker:**

##### **Dr Shams Ul Nisa**

Dr Shams Ul Nisa is Associate Professor in the Department of Oral Medicine and Radiology at Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Pune where she is active in teaching and research. She has pursued a Post-Graduate Diploma in Clinical Research from Symbiosis International University in 2020. She has more than 50 publications in National and International journals of repute as well as several research projects to her credit. Her research areas include Maxillo-facial Pathologies and advanced maxillofacial imaging including CBCT. She has attended a course on “CBCT – Grey & White Shadows of Modern Dentistry” held at 56<sup>th</sup> Maharashtra State Dental Conference hosted by IDA Pimpri-Chinchwad She has more than 4 years experience in CBCT imaging and reporting. She has been carrying out vast research in CBCT imaging.

##### **Dr. Shameeka Khair**

Dr Shameeka Khair is Assistant Professor in the Department of Oral Medicine and Radiology at Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Pune where she is active in teaching and research. She has more than 50 publications in National and International journals of repute as well as several research projects to her credit. Her research areas include Maxillo-facial Pathologies and advanced maxillofacial imaging including CBCT. She has more than 4 years experience in CBCT imaging and reporting. She has been carrying out vast research in CBCT imaging.

**Brief Report:**

The Department of Oral Medicine & Radiology conducted a value added programme on “BASICS ON CBCT” from 18<sup>th</sup> December 2024 to 31<sup>st</sup> December 2024 for a batch of 6 interns. The resource persons were Dr Manjula Hebbale (Associate Professor, Dept of OMR) and Dr Rashmi Sane (Asst. Professor, Dept of OMR). The programme was divided into 4 modules of total 8 sessions. The venue was Seminar Room & CBCT Section, Department of Oral Medicine & Radiology, BVDUDC & H, Pune. The modules comprised of didactic lectures and interactive hands on sessions. The candidates were given written assignments at the end of every module which were assessed and marked. Study material was provided in the form of peer reviewed articles and e-books. The module ended with an assessment in the form of MCQ’s, Practical Hands on Assessment and Viva Voce. The feedback was obtained from all the delegates stating overall satisfaction with the course.

**CV of the Speaker :****Dr Manjula Hebbale :**

Dr Manjula Hebbale has experience in the field of Oral Medicine & Radiology for more than 15 years, having graduated from RGUHS, Bangalore having secured first rank at the university level, in 2005. Has completed PGDHHM- Hospital & Health care Management (2011) PGDMLS-- Medico Legal Systems (2012) from Symbiosis International University. Has more than 50 publications and more than 6 patents to credit. Is actively involved in undergraduate teaching and post graduate teaching for around 19 years. Attended many state and national conferences and won scientific paper presentation awards as well at the national conferences. Received the best reviewer’s award for the year 2022-2023.

**Dr Rashmi Sane:**

Dr Rashmi Sane has experience in the field of Oral Medicine & Radiology for more than 10

years, having graduated from RGUHS, Bangalore in 2009 and MDS from Bharati Vidyapeeth (Deemed to be University) in 2013. She has more than 25 publications and 1 patent to credit. Is actively involved in undergraduate teaching and post graduate teaching for around 10 years. Attended many state and national conferences and won scientific paper presentation awards as well at the national conferences.

**Brief Report:**

The Department of Oral Medicine & Radiology conducted a value added programme on “BASICS ON CBCT” from 11<sup>th</sup> February 2025 to 22<sup>th</sup> February 2025 for a batch of 08 interns. The resource persons were Dr Santosh Jadhav (Assistant Professor, Dept of OMR) and Dr Abhijeet Jadhav (Assistant Professor, Dept of OMR). The programme was divided into 4 modules of total 8 sessions. The venue was Seminar Room & CBCT Section, Department of Oral Medicine & Radiology, BVDUDC & H, Pune. The modules comprised of didactic lectures and interactive hands on sessions. The candidates were given written assignments at the end of every module which were assessed and marked. Study material was provided in the form of peer reviewed articles and e-books. The module ended with an assessment in the form of MCQ's, Practical Hands on Assessment and Viva Voce. The feedback was obtained from all the delegates stating overall satisfaction with the course.

**CV of the Speaker :**

**Dr. Santosh Jadhav:**

Dr Santosh Jadhav has experience in the field of Oral Medicine & Radiology for more than 12 years, having post-graduated from Bharati Vidyapeeth (Deemed to be University) in 2012. He has more than 18 publications to credit.

**Dr. Abhijeet Jadhav:**

Dr Abhijeet Jadhav has experience in the field of Oral Medicine & Radiology for more than 11 years, having graduated from MUHS, Nashik in 2009 and MDS from Bharati Vidyapeeth (Deemed to be University) in 2013. He has more than 16 publications to credit.

**Brief Report:** The Department of Oral Medicine & Radiology conducted a value added programme on “BASICS ON CBCT” from 1<sup>st</sup> April to 30<sup>th</sup> April 2025 for a batch of seven interns. The resource persons were Dr Shams Ul Nisa (Associate Professor, Dept of OMR) and Dr Shameeka Khaire (Asst. Professor, Dept of OMR). The programme was divided into 4 modules of a total 8 sessions. The venue was Seminar Room & CBCT Section, Department of Oral Medicine & Radiology, BVDUDC & H, Pune. The modules consisted of didactic lectures and interactive hands-on sessions. The candidates were given written

assignments at the end of every module which were assessed and marked. Study material was provided in the form of peer reviewed articles and e-books. The module ended with an assessment in the form of MCQ's, Practical Hands on Assessment and Viva Voce.

The feedback was obtained from all the delegates stating overall satisfaction with the course.

### CV of the Speaker:

#### Dr Shams Ul Nisa

Dr Shams Ul Nisa is Associate Professor in the Department of Oral Medicine and Radiology at Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Pune where she is active in teaching and research. She has pursued a Post-Graduate Diploma in Clinical Research from Symbiosis International University in 2020. She has more than 50 publications in National and International journals of repute as well as several research projects to her credit. Her research areas include Maxillo-facial Pathologies and advanced maxillofacial imaging including CBCT. She has attended a course on "CBCT – Grey & White Shadows of Modern Dentistry" held at 56<sup>th</sup> Maharashtra State Dental Conference hosted by IDA Pimpri-Chinchwad She has more than 4 years experience in CBCT imaging and reporting. She has been carrying out vast research in CBCT imaging.

#### Dr. Shameeka Khaire

Dr Shameeka Khaire is Assistant Professor in the Department of Oral Medicine and Radiology at Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Pune where she is active in teaching and research. She has more than 50 publications in National and International journals of repute as well as several research projects to her credit. Her research areas include Maxillo-facial Pathologies and advanced maxillofacial imaging including CBCT. She has more than 4 years experience in CBCT imaging and reporting. She has been carrying out vast research in CBCT imaging.

 DENTAL COLLEGE AND HOSPITAL, PUNE

Dentistry is advancing by leaps and bounds and clinical dental practice is evolving at an extremely rapid pace with digital dentistry quietly stepping up the ladder. The most important advancement in recent times, is the evolution and growth of 3-D imaging in dentistry.

CBCT has revolutionized the way dentistry is being practiced in the current decade and having wide applications in almost all fields of Dentistry right from Implantology, Endodontics, Periodontics, Orthodontics and Maxilla-facial Surgery & Prosthodontics. It provides a three - dimensional view of the hard tissue structures improving the diagnostic accuracy and providing a better and comprehensive care to the patient.

CAD- CAM integration with CBCT is a great boost to dental practice broadening its role in 3-D printing technology.

Keeping this in mind, a basic course in CBCT would be beneficial for the interns.
