

**BHARATI VIDYAPEETH (DEEMED TO BE UNIVERSITY)
Homoeopathic Medical College and Hospital, Pune-43**

Date-25/10/2025

6-Days CME in Physiology - MODULE-1

- **Sponsored by:** MINISTRY OF AYUSH, GOVERNMENT OF INDIA, NEW DELHI & RASHTRIYA AYURVEDA VIDYAPEETH
- **Organised by:** Ahmedabad Homoeopathic Medical College (Parul University Ahmedabad Campus) Gujarat.
- **Attended by:** Dr.Varsha A. Telore, Assistant Professor of Dept. of Human Physiology and Biochemistry, B.V.D. U.H.M.C., Pune
- **Venue:** Ahmedabad Homoeopathic Medical College, Gujarat.
- **Date:** 6th To 11th October 2025 (6 days)
- **Time:** 09:00 am to 05:00 pm

Objectives of CME:

Strategies for Teaching Learning & Research Fostering Critical Thinking in Physiology among Homoeopathy under Graduate To make successful and positive approach of students to make the subject of Human Physiology and Biochemistry more interesting and more integrated with the related subject.Total 30 Faculties of Physiology from all over India has attended program. Session included 9.45 am-10:45 am theory session followed by Practical and demonstration from 11:00 am-12:30 pm through Group discussions, simulation demonstration.

Learnings from 6 days CME Program:

1. Integration of Technology in Teaching - explored digital tools like simulation software, virtual labs, and AI-based platforms to enhance physiology education and clinical training.Updated Knowledge on Physiological Techniques.
2. Evidence-Based Practice Emphasis-CME sessions reinforced the importance of applying current research and clinical guidelines to physiological assessments and interventions.
3. Interdisciplinary Collaboration-The program helped to understand how physiology interfaces with pharmacology, pathology, and clinical medicine.

Following is the list of eminent speakers-

| Sr No | Date | Time | Topic | Speaker |
|-------|------------|------------------------------------|---|--------------------------|
| 1 | 06/10/2025 | 9.45am-10:45am 11:00 am-12:30pm | Need for Physiology in Homoeopathic UG Course - Along with examples from clinical practice. | Dr.Shishir Kumar Singh. |
| | | 1:30pm-3:00pm 3:15pm-4:45pm | Physiology & Homoeopathic Pharmacy Understanding the connection. | Dr. Poonam Gopalkrishnan |
| 2 | 07/10/2025 | 9.45am-10:45am 11:00 am-12:30pm | The Vital Force: Physiological Insights into Homoeopathic Philosophy. | Dr. Heena Rawal |
| | | 1:30pm-3:00pm 3:15pm-4:45pm | Relationship of Physiology with Homoeopathic Materia Medica. | Dr. Shishir Mathur |
| 3 | 08/10/2025 | 9.45am-10:45am 11:00 am-12:30pm | Concept of man in Health & Role of Physiology in understanding Health. | Dr. A. K. Dwivedi |
| | | 1:30pm-3:00pm | From Physiology to Pathology: | Dr. Kumarvel |

| | | | | |
|---|------------|-----------------|--|----------------------|
| | | 3:15pm-4:45pm | Understanding Disease Mechanism. | |
| 4 | 09/10/2025 | 9:45am-10:45am | Correlation of Biochemistry & Drug Action. | Dr. Gaurav K. Bhatt |
| | | 11:00am-12:30pm | | |
| | | 1:30pm-3:00pm | Physiological Foundation of Clinical Practice. | Dr. Pralay Sharma |
| 5 | 10/10/2025 | 3:15pm-4:45pm | | |
| | | 9:45am-10:45am | Gynaecology & Physiology: Interconnected Insight. | Dr. Reshmi K.R. |
| | | 11:00am-12:30pm | | |
| 6 | 11/10/2025 | 1:30pm-3:00pm | Repertory & Physiology : Homoeopathic correlation. | Dr. Siddhart Saurabh |
| | | 3:15pm-4:45pm | | |
| | | 9:45am-10:45am | Role of Physiology in Surgical Decision Making. | Dr. Manasi Jatkar |
| | | 11:00am-12:30pm | | |
| | | 1:30pm-3:00pm | Recent Advances in Physiology. | Dr. Avishkar Zagde |
| | | 3:15pm-4:45pm | | |

Acknowledgement:

I am thankful to,

1. The MINISTRY OF AYUSH, GOVT. OF INDIA, for conducting CME for AYUSH teachers (Physiology department).
2. In-charge Principal Dr. Avinash Mhetre for giving me opportunity to attend the CME.
3. Principal Dr. Gaurav Bhatt Ahmedabad Homoeopathic Medical College Gujarat for arranging the CME.
4. My Department faculty members for co-operating with me and making CME training successful.

I/C Principal
Dr. Prof. Avinash Mhetre
