## Summary of Student Suggestions

The following are the main suggestions received from students for curriculum improvement:

1. Placement opportunities should be increased and made more accessible.
2. Practical exposure and live project opportunities should be expanded.
3. More emphasis should be placed on real-life case studies and industrial visits.
4. Availability of updated reference materials and study guides is needed.

## Action Taken Report

Based on the analysis and suggestions received, the following actions have been or will be initiated in the coming academic year 2025 - 2026:

1. **Strengthening Placement Support:**  
Regular placement drives, training sessions, and industry tie-ups will be enhanced to improve job opportunities.
2. **Curriculum Review:**  
The curriculum will be evaluated to incorporate real-life relevance, emerging technologies, and local developmental needs.
3. **Project-Based Learning:**  
More weightages will be given to hands-on learning through live projects and internships across all programs.
4. **Resource Improvement:**  
Updated and easily accessible study material, reference books, and e-learning resources will be provided. We have purchased e – resources.
5. **Career Guidance:**  
Workshops, alumni interaction sessions, and mentorship programs will be conducted to guide students toward higher education and specializations.
