Mechanism/ Norms and Procedure for democratic/ good governance

Internal Quality Assurance Cell (IQAC)

Abhijit Kadam Institute of Management and Social Science, Solapur, the IQAC is responsible for auditing internal operational processes. Its primary objective is to standardize and ensure compliance with academic and administrative procedures for the institute's smooth functioning. The IQAC regularly reviews performance to uphold the quality policy standards of excellence across teaching, research, consultancy, and continuing education. It further strives to maintain accountability in both core and support functions through systematic self-evaluation and a commitment to continuous improvement. Grievance Redressal mechanism for Faculty, staff and students

Formation of Institute's Grievance Redressal Committee:

In accordance with AICTE's Establishment of Mechanism for Grievance Redressal, Regulation 2012, a Grievance Redressal Committee has been constituted to address and resolve the grievances of students, parents, and other stakeholders. The Student Grievance Cell has been formed for a tenure of three years, with its composition as follows

Women Cell

AKIMSS, Solapur is committed to fostering a sustainable environment that supports the holistic development of women on campus. The institute strives to ensure that all women—whether residing in or visiting the campus—are treated with dignity and respect. It is dedicated to maintaining a safe environment, free from exploitation, harassment, and any form of violence. In line with the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013, the Women’s Cell of AKIMSS, Solapur has been duly constituted

Internal Continuous Evaluation System and place:

The college has a stringent and systematic process for the evaluation of students. The college considers students, alumni, parents and industry as valuable stakeholders. The evaluation of students is carried out on their overall performance which includes the internal evaluation in the form of internal examination and university level evaluation by conducting the end semester examination. The complete evaluation process is printed in the syllabus. All the stakeholders namely, students, alumni, parents and industry have an access and are much aware about the evaluation system. The information regarding evaluation process is also given to the parents in parents meeting. The university always take initiatives to implement the reforms especially in the academia and examination process. The overall development of students is one of the motto of these reforms. For this, university has initiated CBCS (Choice Based Credit System) pattern for undergraduate and postgraduate programmes.

In CBCS pattern the students are evaluated on continuous basis. The evaluations includes midterm tests, presentations, MOOCs (Massive Open Online Course), case studies, Quizzes and assignments as part of the Internal evaluation (IE) and an end semester University examination (UE). The pattern is much useful for students which improves their involvement in the learning process.

Internal exams are conducted online so that the students get result immediately. The results has declared as per UGC Norms. In case of delay the university gives information on their website. The university declares the results on their website and also at the university central office and their constituent units. Institute ensures transparency in both university examination (term end examination) as well as internal examination.

Internal Assessment is of 50 marks and is having two components,

- Class participation of 10 marks and
- Concurrent comprehensive assessment of 40 marks.

Class participation marks are generated through cumulative attendance for the semester.

The marks out of 10 are given as per the following criterion:

Attendance (10Marks)

Attendance Marks in Internal Marks---

Overall Cumulative attendance > 85 %	10 Marks in all
Subjects Overall Cumulative attendance > 80 % to 84.99%	6 Marks in
all subjects Overall Cumulative attendance > 70 % to 79.99%	4 Marks
Marks in all subjects Overall Cumulative attendance > 60 % to 69.99%	2 Marks
in all subjects Overall Cumulative attendance < 60 %	0 Marks in all

The other part of internal assessment is Concurrent comprehensive assessment of 40 marks. We have identified 12 tools for this assessment. The course teacher is having a flexibility to decide the tool and he or she will have a authority to do the marking rubrics for each CCA. Also the course teacher decided the correlation of Course outcome with CCA. Course teacher shall evaluate the performance of the students in the respective courses. Performance shall be evaluated by the following evaluation tools:

1. Class Test, Unit Test
2. Open Book Test
3. Written Home, Class , Lab Assignment
4. In-depth Viva-Voce for Project Report
5. Case Studies, class Presentations
6. Situation Analysis
7. Small Group Project & Internal Viva-Voce exam
8. Role Play
9. Creating and Presenting Posters
10. Writing a Memo
11. Offline Mid Term Examination
12. Simulation Exercises
13. MOOCS

External Assessment

The external Assessment is done by Bharati Vidyapeeth (Deemed to be)University for 100 marks UE and get convert into 50 marks for final Assessment.

Student's assessment of Faculty, System in place

Feedback is taken from students after Academic year by University.

For each Post Graduate Courses give the following:

- **Title of the Course: Master of Business Administration**
- **Curricula and Syllabi**

Please refer following link :

MBA : <https://akim.bharatividvapeeth.edu/index.php/programs-and-courses/mba>

- **Laboratory facilities exclusive to the Post Graduate Course : Computer Centre:** The institute is equipped with latest workstations and interactive smart classrooms with audio visual units. Wireless connectivity for student's is provided throughout the campus. Our 50 mbps dedicated internet connectivity caters the internet requirement within the campus on 24 x 7 basis. The students experience the best communication, co-ordination and collaboration with their faculty, coordinators and team mates via personalized social media groups. The IT infrastructure also covers the latest licensed soft wares for designing and simulation of projects, statistical analysis and project presentation. Security (physical & data access) within the campus is administered via surveillance cameras and data access policies implemented via various servers using microsoft technology.
- **Industry Linkage**
 - **Industry Interaction:** The Alumni are invited by the Learning facilitators of each specialization. These visits to the campus on multiple occasions help students to prepare themselves for the corporate world.
 - **Internships and Winter Projects for Students:** Students work in companies as interns for

their summer internship programs during the months of May, June & July. This is done to help students have real life experience of the corporate world. For summer internship programs, every student is allotted a faculty member as their internal guide. Students discuss the work environment, the kind of work handled by them during their internship and discuss the requirement gathering needs and tools for the project with their faculty guide. Students are in continuous association with the faculty and faculty in turn keeps a check on the student's association with the company and industry guide under whom they report during the said time period
