World Kidney Day is celebrated every year to educate people on the importance of kidney health, associated risks, and preventive actions. Kidney diseases are often ignored as they may not appear in the early stages. This is the reason why they are termed as silent conditions. Promoting **kidney health awareness** becomes more crucial, especially in countries like India, where conditions such as diabetes and hypertension are rising day by day. The theme for the World Kidney Day 2026 is "Kidney Health for All – Caring for People, Protecting the Planet "

All the student of the S. Y. GNM Nursing and S.Y BSc Nursing were actively participated. The Event was Conducted under the guidance and support of Dr. Bhagyashree Jogdeo, Principal, Dr. Pravin Dani, Vice principal & Dr. Veena Sakhardande, HOD of Medical Surgical Nursing Department. The Event included activities like Rol pay, Poster Exhibition and Health promotion activity under the guidance of Mrs. Kishori Thorat from Medical Surgical Nursing Department of BV(DU)CON, Pune

Posters were made on the world kidney day theme, its Signs and Symptoms, Prevention, Management Treatment of kidney diseases.

Celebration concluded with feedback & clarification of participants doubts.
