**University Examinations (Environment Studies)-Summer 2026**

**Guidelines for Remote Proctored Online MCQ mode of examinations**

The University has provided the online mode of MCQ examinations to the students. It is the responsibility of the students to make all necessary arrangements of the minimum requirements to appear for the online examinations.

**A) Basic Instructions for Online Examinations:**

1. The students may please note that the Summer 2026 examinations will be held online from their own location through the **MCQ**.
2. Check the internet speed before commencement of examinations using speed test.
3. **Exam Schedule -**  
Exam Date- 05/04/2026  
Time- 10.00am to 11.00am  
Duration-60 minutes  
Mode- Online MCQ mode

**B) Minimum hardware and software requirement to attend the examination**

The examinations can be attempted using either Web(desktop/laptop) or Smart phone (Mobile)

**(I) Web (desktop/laptop):**

- Processor- Minimum Core 2 Duo Processor
- Operation system- Windows 8/8.1/10/11 only
- Ram- 2Gb or higher
- Web Cam- Mandatory.
- Browser- Latest version of Google Chrome browser must be pre-installed in your respective devices. Student can download Chrome from here:- [https://www.google.com/intl/en\\_in/chrome/](https://www.google.com/intl/en_in/chrome/)
- Internet speed- Stable Internet connectivity with a minimum 1 Mbps speed. You can check your internet speed on this link - <https://www.speedtest.net/>.
- Google Chrome settings - Students need to allow permission to Chrome browser to use camera on the pop-up window.
- Uninterrupted power supply

**Testing your webcam / front camera**

Student can test webcam / front camera here (kindly test this link in Google Chrome browser only) click - <https://assessment.eklavya.com/Student/webcamtest>

**(II) Smart Phone (Mobile):**

- Smartphone with front camera (Android phones only, due to iPhone security restrictions, camera permissions may be blocked or limited, which can cause issues during the exam, so students should use Android devices instead of iPhones.)
- Ensure that smart phones are fully charged before the commencement of the particular examination.
- Go to Settings -> Go to Applications ->Google Chrome-> Permissions -> Allow permission for Camera.
- Student can install latest version of Chrome from Google Play store on Android phone.

**C) Steps to follow on and before the examination**

- The student should login with the User id and password sent via email on registered email id. This User id and password shall be utilized for the examination.
- The student should ensure that the place of examination is disturbance free.
- The students using smart phone (mobile) for the examination should not receive/ dial a call during the examination. Turn off notifications in apps and browser popups to avoid distractions and exam terminations.
- Smartphone users can go to settings -> Applications -> Select the App-> Notifications -> Turn off all notifications.
- You have to turn off notifications from all apps that could possibility distract you during exam- such as, WhatsApp, Facebook, Instagram, Telegram and all such other apps.
- Please note that notifications and incoming calls would be considered as warning alerts and may cause termination of exam.
- Extra time or extra attempt will not be provided if,
  - I. Student fails to appear for exam within specified timings.
  - II. Student appears for exam late / face lack of time.
  - III. Student ignores instructions and rules.
  - IV. Student faces internet or power failure problems.
- The student should keep the webcam/ camera on till the examination is completed.
- The student will be booked under malpractice without intimation if:
  - I. They turn off the webcam/camera,
  - II. They are not available in the webcam/camera for more than 5 seconds,
  - III. They have any other material/objectionable material,
  - IV. They are found discussing with anyone or using any other devices.In such cases, the exam will be stopped.
- Do not refresh the browser or switch the tab many times. A siren will be played to alert the student about switching the tab. A maximum of 10 attempts will be given to students for switching the tab during online examination. If it exceeds above it, your exam will get terminated automatically.
- Mock test will be conducted before university exam. You will be notified accordingly. This will help students to understand the question format and test the platform. Mock test is only for practice and not compulsory.
