ACM STUDENT CHAPTER GOLD

- Name of the Event: GOLD – Gathering of outstanding Leaders in various Domains
- Date: Saturday, 22 March 2025
- Time: 10 am to 4 pm
- Venue: RAIT ACM DY Patil
- Organizer: RAIT ACM DY Patil
- Nature of Activity: Indoor
- Participants: All Registered Members
-

Introduction:

The RAIT ACM Student Chapter, in collaboration with multiple ACM and ACM-W student chapters, successfully organized GOLD – Gathering of Outstanding Leaders in Various Domains. The event aimed to bring together speakers from diverse professional backgrounds to share their knowledge, experiences, and insights with students. This large-scale inter-college collaboration served as a platform for learning, networking, and skill development across domains.

Participants

The event witnessed active participation from students and ACM members of various collaborating institutes. Faculty members from different colleges were also present, contributing to the academic and professional exposure of the participants.

Event Highlights

- Sessions conducted by speakers from different domains
- Knowledge sharing on topics such as banking, savings, cryptocurrency, and financial awareness
- A Reverse Engineering Competition that encouraged analytical and problem-solving skills
- Interaction with faculty members from different institutes
- Laboratory visits that provided practical exposure to advanced infrastructure and research environments
- Strengthening collaboration among multiple ACM and ACM-W student chapters

Conclusion :

The GOLD – Gathering of Outstanding Leaders in Various Domains event concluded successfully, fulfilling its objective of promoting interdisciplinary learning and collaboration. The sessions and activities offered valuable insights beyond academics, helping students gain practical knowledge and exposure. The event stood out as one of the biggest collaborations among ACM student chapters, leaving participants motivated, informed, and inspired for future endeavors.
