ACM EXCLUSIVE PERKS SESSION – EVENT REPORT

- Name of the Event: ACM-BVDUDET MEMBERSHIP EVENT
- Date: Wednesday, 5th February 2025
- Time: 12:30
- Venue: Lab 106
- Organizer: Prof. Sumita Kumar
- Nature of Activity: Indoor
- Participants: ACM Members

◇ INTRODUCTION:

The ACM community gathered for an exciting and informative session on 5th February 2025, held at Lab 106, to explore the exclusive benefits of ACM membership. The event provided attendees with valuable insights into the career-boosting opportunities, resources, and industry exposure offered by ACM.

◇ BEGINNING OF THE EVENT

The session commenced with a warm welcome, setting the stage for an engaging discussion. Students were eager to discover how ACM could enhance their learning experience, provide networking opportunities, and offer access to premium educational resources.

◇ PLATINUM PRIVILEGES

The core of the session was led by Atharv Satpute and Sudhanshu Mishra, who provided a detailed overview of ACM's exclusive perks, including:

- Sponsorship to attend ACM Annual Summit
- Unlimited Online Courses with Certificates
- Premium Access to a Digital Library
- Workshops, Hackathons & Networking Events

They elaborated on how ACM serves as a platform for innovation, skill-building, and industry connections, making it an invaluable resource for students looking to advance in the tech world.

← END OF THE SESSION

As the session concluded, students gained a clearer understanding of the immense benefits of ACM membership. The event successfully motivated attendees to explore new opportunities, enhance their technical skills, and leverage ACM's resources for their academic and professional growth.

With more exciting events on the way, ACM continues to empower students with knowledge, experience, and industry exposure. Stay tuned for future sessions and unlock your potential!
