Bharati Vidyapeeth (Deemed to be University), College of Nursing, Sangli, celebrated World Health Day on 7th April at 10:00 AM with great enthusiasm. The programme aimed to create awareness about global health issues and emphasize the importance of scientific approaches in healthcare. The theme for the celebration was **“Together for Health: Stand with Science.”**

The programme began with a warm welcome address, followed by the ceremonial lamp lighting, symbolizing knowledge and hope. A felicitation ceremony was conducted to honor the respected Principal, Dr. Suresh Kumar Ray, and the Chief Guest, Mrs. Padmashree Rajkumar Magdum. Their presence added dignity and inspiration to the event. Dr. Basavant Dhudum, Head of the Medical-Surgical Nursing Department, unfolded the theme and highlighted the importance of collective efforts and evidence-based practices in improving healthcare outcomes. The Chief Guest delivered a motivational speech, encouraging healthcare professionals to stay committed to scientific practices and patient-centered care.

The academic session included insightful speeches by distinguished speakers: Dr. Aparna B. Kale, Mrs. Swati Kurane, Mr. Sachin Sakete, and Mr. Samson W. Kamble. They elaborated on various health-related topics and emphasized the role of nurses in promoting evidence-based practice and public health awareness. The programme concluded with a vote of thanks, expressing gratitude to all dignitaries, speakers, and participants. The celebration was informative, inspiring, and reinforced the importance of science-based healthcare practices.
