Report on Health Exhibition of Safe Motherhood Day

Theme: Empowering Mothers: Ensuring Safety

Date: April 13 2026

Venue : Kamla Nehru Hospital Mangalwar Peth , Pune

Number of participants: Approximately 100.

A Health Exhibition was successfully organized by the Obstetrics and Gynecology Nursing Department of Bharati Vidyapeeth (Deemed to be University) College of Nursing, Pune, on the occasion of Safe Motherhood Day on 13th April 2026 at Kamla Nehru Hospital, Pune.

The theme of the exhibition was “Empowering Mothers: Ensuring Safety,” focusing on promoting awareness regarding maternal health, safe pregnancy, and newborn care. The students of TYGNM covering key topics such as antenatal care, nutrition during pregnancy, danger signs in pregnancy, safe delivery practices, postnatal care, breastfeeding techniques, family planning, and newborn care.. The exhibition aimed to enhance awareness among mothers and families about the importance of timely healthcare interventions and to encourage healthy practices during pregnancy and childbirth. Visitors actively engaged with the students, asked questions, and gained valuable knowledge about maternal and child health. Approximately 100 participants, including students, faculty members, and hospital visitors antenatal and postnatal mothers , attended the exhibition.. Overall, the program was highly informative and impactful. It successfully highlighted the importance of safe motherhood and reinforced the role of nurses in promoting maternal and neonatal well-being. The event concluded with positive feedback from participants and organizers, marking it as a meaningful and successful initiative.
