

Bharati Vidyapeeth (Deemed to be University), Institute of Management and Research, New Delhi, successfully conducted its **Expert Session, Knowledge Series 2026** on March 30, 2026, as part of its continued efforts to strengthen entrepreneurial learning and industry integration.

The session was conceptualized and organized by NEXEL – BVIMR’s Incubation Cell led by Ms. Tripti Tiwari, with a clear focus on equipping students with practical, real-world insights beyond the classroom.

The initiative received valuable encouragement and institutional support from Prof. (Dr.) Seema Gupta, Director, BVIMR, further reinforcing the institute’s commitment towards fostering innovation and startup culture.

The session featured eminent experts who delivered highly impactful knowledge:

CS Hitesh Goel, Legal Associate at Hitesh Goyal & Associates and a seasoned Company Secretary, conducted a comprehensive session on “From Idea to Incorporation: Navigate Registrations & Compliances Like a Pro.” With over a decade of experience in Corporate Law, he provided participants with a practical roadmap to understand startup registration processes, compliance requirements, and legal structuring essential for sustainable ventures.

Dr. Parikshet Sirohi, Assistant Professor (Selection Grade), Law Centre-II, Faculty of Law, University of Delhi, delivered an insightful session on “Patent Strategy & Management: Insight from the High Court to the Classroom.” His session emphasized the strategic importance of Intellectual Property Rights, covering patent protection, licensing, and monetization in the modern innovation ecosystem.

The sessions were highly interactive and well-received, offering a strong blend of technical depth and strategic clarity.

This initiative reflects NEXEL’s growing role as a catalyst for innovation, entrepreneurship, and leadership development, creating meaningful platforms that empower students to transition from ideas to execution.
