

Techspire – Power BI Wokrshop.

- **Name of the Event:** Techspire-BVDUDET Power BI Wokrshop
- **Date:** 11th Sep, Thursday
- **Time:** 9:30 to 4:15
- **Venue:** CC Lab
- **Organiser:** Techspire students club
- **Faculty In-charge:** Prof. Ravindra Agrawal Sir
- **Nature of Activity:** Indoor
- **Participants:** Third year IT students

Introduction

The Techspire Club successfully organized a full-day workshop on **Power BI**, under the guidance of **Prof. Ravindra Agrawal**. The workshop aimed at providing participants with a practical understanding of business intelligence, data visualization, and real-time data-driven decision-making using Power BI.

The welcoming of the guests and participants began , and this part was efficiently managed by **Yash, a first-year IT student**, who took charge of settling the audience and introducing the workshop.

The session was graced by distinguished speakers from **Regenesys**, namely:

- **Ms. Ankita Nayak (Lead Speaker)**
- **Ms. Hemani**
- **Mr. Saif Lokhandwala**

Their collective expertise offered participants a valuable and insightful learning experience.

Introduction to the Workshop and Speaker : 9:56

The introduction of the main speaker was gracefully managed by Rutvie, a first-year IT student, who welcomed her with warmth and respect. She introduced Ms. Ankita Nayak, highlighting her achievements and expertise. Ms. Nayak is an AIML expert with rich experience as a Data Scientist and Senior Lecturer at *Regenesys Business School*. She has also served as a research scholar for 7 years at the *Aegis School of Data Science* and as a **professor at MGM College of Engineering, Panvel*. With her extensive knowledge in data analysis, machine learning, and business intelligence, she was indeed the perfect guide for the Power BI workshop

Kickstart of Workshop Highlights: 10:15

1. Introduction to Power BI

- Overview of data visualization and BI concepts
- Importance of Power BI in modern businesses

2. Hands-on Sessions

- Connecting data from multiple sources
- Data cleaning and transformation

- Creating dashboards and interactive reports
3. **Advanced Insights**
- Real-time data monitoring
 - Integration with AI and predictive analysis
 - Best practices for professional reporting
4. **Expert Interactions**
- Ms. Hemani and Mr. Saif Lokhandwala shared practical case studies from industry applications of Power BI.
 - Interactive Q&A sessions provided participants with clarity on real-world challenges.

End of the Workshop: 4:05

The workshop proved to be a highly enriching experience for the participants. Students gained:

- Practical knowledge of Power BI tools and techniques.
- Skills to create insightful dashboards for decision-making.
- Exposure to industry use cases and professional best practices.

The event not only enhanced technical skills but also inspired participants to explore careers in **data analytics, AIML, and business intelligence.**

Vote of Thanks : 4:08

The **Techspire Club** expresses its heartfelt gratitude to:

- **Prof. Ravindra Agrawal**, Faculty Coordinator of the workshop, for his constant support, encouragement, and valuable guidance throughout the event.
- **Prof. Divya Rathogi**, Head of the IT Department, and **Prof. Rupali Sharma**, for their gracious presence and for felicitating the esteemed speakers.
- **Ms. Ankita Nayak, Ms. Hemani, and Mr. Saif Lokhandwala**, for sharing their time, knowledge, and expertise, making the session truly enriching and insightful.
- **All participants**, for their active engagement and enthusiastic involvement, which contributed greatly to the success of the workshop.

The session concluded with a warm **vote of thanks delivered by Swati, a second-year IT student**, who expressed gratitude on behalf of the Techspire Club to all the dignitaries, speakers, faculty members, and participants.
