4. It was observed that Bharati Hospital to which the College of Nursing is affiliated for Students Clinical experience that there were very few patients and most of the beds were vacant. The O.P.D. also had few attendance of patients. The Students are sent to Private Hospitals like Jahangir Nursing Home, Ruby Hall Clinic and Pune Corporation Hospitals.

As these are paying patients, it may be possible that the Students may not get adequate experience. For an adequate and fruitful learning and clinical experience for Students, Bharati Hospital should become self-sufficient, and occupy patients for Student's learning. This will be possible for them by publicity in surrounding villages, organizing the camps so that these can be referral of patients to their own hospital.
