DATE: 24th September,2022

VENUE: RGITBT Bharati Vidyapeeth Deemed University

TIME :12 pm to 5 pm

The goal of the Fresher's Party is to warmly welcome new students and to support their creative tendencies in order to increase their confidence. It's the day when juniors and seniors come together to finally commemorate their shared membership in the college.

First Year (Batch:2022-23) BSc and all M.Sc. students were greeted to this party, which the Cultural Committee organised in the college auditorium, with red roses.

The programme began with the lighting of the lamps and an opening address by the honourable principal, Dr. Shamim Shaikh. The President then addressed the freshmen. Arya and Piyush, two second-year students, hosted the show.

The MSc student Monishka Battula performed the welcoming dance (Bharatanatyam).

Freshmen and their seniors got the opportunity to display their talent through a magnificent ramp walk and other dance performances, including solo, Duo or Social dancing.
